## STATE COLLEGE

GRADUATE CATALOG 1972-73

All correspondence concerning graduate study and degree requirements should be addressed to: Director of Graduate Studies, Salisbury State College, Salisbury, Md. 21801

## **DIVISION OF GRADUATE STUDY**

Salisbury State College is approved for graduate instruction by the Middle State Association of Colleges and Secondary Schools and the Maryland State Board of Education. The College offers programs leading to the Master of Education Degree and the Master of Arts Degree in History. Provision is also made for teachers seeking regular or advanced certification and for general students seeking graduate credit in professional education and in various academic fields.

Graduate study during the regular academic year is normally conducted in the Evening Program of the College. Designed for part-time students, this program consists mainly of graduate courses meeting once weekly throughout the semester in sessions of approximately three hours each. A limited number of courses open both to graduate students and advanced undergraduates is also available in the regular daytime program. Generally, full-time graduate study for the Master of Education Program is available only in summer and students enrolling in both terms of the Summer Session may normally earn twelve hours of graduate credit. For the Masters of Arts Program in History full-time graduate study is usually offered every term.

### **OBJECTIVES**

The primary objective of the graduate program at Salisbury State College is to provide opportunities for specialized training and consequent professional advancement for qualified students. The program is designed to assist these students in attaining greater mastery of their fields of special interest to improve skills in pursuing independent study, and to increase professional ability through study of new findings in fields of both teaching and learning. The College also recognizes an obligation to college graduates residing in the general community of the Eastern Shore and seeks to offer a constructive program at the graduate level for the benefit of all who are qualified.

### **ADMISSION**

To be eligible for admission to the graduate program, the applicant must hold a bachelor's degree from an accredited institution of higher learning. Admission to Salisbury State College is granted without regard to race, color, religion, or sex.

Students seeking to enroll in graduate courses may obtain applications on request to the Graduate Division. The applying student must request the Registrar of his undergraduate institution to forward two transcripts of his record directly to the Director of Graduate Studies. Admission to the graduate program can be granted only on the tentative basis until such transcripts have been received by the Graduate Division.

## ADMISSION TO CANDIDACY: MASTER OF EDUCATION DEGREE

To be eligible for admission to candidacy for the Master of Education Degree, the applicant must meet the following additional requirements:

1. Satisfactory completion of at least nine semester hours, ordinarily included in the undergraduate curriculum in Education, in courses dealing with testing and measurement, human growth and development, and methods of teaching. The course in testing and measurement is prerequisite to Education 502. Courses in both human growth and development, and methods of teaching are prerequisite to each of the following: Education 500, 510, and 514.
2. Submit satisfactory scores on the Graduate Record Examination aptitude test and one advanced test.
3. Earn an average of B or higher on at least twelve hours of graduate courses completed at Salisbury State College in the master's degree program. This requirement may be waived for students who earned an overall average of B or higher in their undergraduate programs. Candidates for a Master of Education Degree should apply after having earned an overall average of B or higher in twelve (12) hours and not later than having completed eighteen (18) hours. Graduate degree studies are required to earn a minimum of fifteen (15) semester hours of graduate credit after admission to candidacy.
4. Completion of at least two years of successful teaching experience
5. Submit the completed application for admission to candidacy to Director of Graduate Studies for action.

## THE MASTER OF EDUCATION DEGREE

Students seeking the Master of Education Degree at Salisbury State College shall complete an approved program of study including at least thirty-three semester hours with an average of B or higher, and with no grade lower than C.

The following courses in Education are required (12 semester hours):

- Education 500\* HISTORICAL AND SOCIAL FOUNDATIONS  
Education 502\* INTRODUCTION TO RESEARCH  
Education 510\* SEMINAR: RECENT ISSUES IN EDUCATION  
Education 514\* SEMINAR IN CURRICULUM CONSTRUCTION

\*For prerequisites see Item No. 1 under Admission to Candidacy: Master of Education Degree.

Additional requirements for the Master of Education Degree may be met under either of the two following programs ;

## PROGRAM A: primarily for teachers in Elementary Education (21 semester hours).

1. Six semester hours in approved courses in methodology.
2. Free Electives: Twelve semester hours, at least half of which shall be at the 500 level, in areas other than Education.
3. Choice of Research Project for three hours credit, **or** an approved course substitute of at least three semester hours. Those electing the course substitute will satisfactorily complete at least two formal research papers in connection with their courses in Education. Those electing the Research Project will complete and submit the approved project to their advisor and satisfactorily complete an oral examination on the project, to be scheduled after successful completion of the Masters Degree written examinations.
4. Satisfactory completion of a comprehensive written examination demonstrating the candidate's proficiency in professional education and a representative selection of other courses selected from the candidate's program. These examinations are given three times a year, usually Fall, Spring, Summer. Please check with the graduate office as to exact time, place and procedures.

## PROGRAM B: primarily for teachers in Secondary Education (21 semester hours).

1. Eighteen semester hours, at least twelve of which shall be in the area of concentration, to be selected from departments approved by the Graduate Council. At least six hours in the area of concentration shall be selected from courses at the 500-level. Courses outside the area of concentration may be selected from any field.
2. Choice of Research Project in the field of concentration for three hours credit, **or**, approved course substitute of at least three semester hours in the area of concentration. Those electing the course substitute will satisfactorily complete at least one formal research paper in the area of concentration and another in the field of Education. Those electing the Research Project will complete and submit the approved project to their advisor and satisfactorily complete an oral examination on the project, to be scheduled after successful completion of the Masters Degree written examinations.
3. Satisfactory completion of a comprehensive written examination demonstrating the candidate's proficiency in professional education and in the academic area of concentration. These examinations are given three times a year, usually Fall, Spring, Summer. Please check with the graduate office as to exact time, place and procedures.

## THE MASTER OF ARTS DEGREE IN HISTORY

### A. Qualification for Candidacy:

1. At least fifteen semester hours in History from courses at the 300 level or above, including a course in historiography. Applicants lacking this preparation must make up deficiencies either before or during graduate study.
2. Submit satisfactory scores on the GRE aptitude test and advanced test in History. In special circumstances, the Chairman of the History Department may permit the student to take the advanced test in another field.

**B. Course Requirements:** Thirty-three semester hours, at least 15 of which shall be at the 500 level, with an average grade of B or higher and no grade below C. The student may choose either Plan I or Plan II in meeting degree requirements. All course selections must be approved by the faculty advisor.

#### Plan I:

1. Eighteen semester hours in History.
2. Nine semester hours in one minor field (Education, English, Geography, Psychology, etc.)
3. Six semester hours: Thesis in History

#### Plan II:

1. Twenty-four hours in History
2. Nine semester hours in one minor field (Education, English, Geography, Psychology, etc.)

C. All candidates will satisfactorily complete both a written and an oral examination near the completion of program requirements demonstrating their proficiency in the areas of study undertaken. Students eligible to take the examination should contact the chairman of the History Department.

### TRANSFER CREDIT

A maximum of six semester hours of graduate work may be transferred from other accredited institutions provided the proposed transfer hours are "B" or above and provided this work is directly related to the candidate's program as approved by the department concerned and Director of Graduate Studies.

Credits earned by correspondence are not eligible for transfer. Credits earned in extension programs are eligible for transfer, subject to approval by the Director of Graduate Studies, if such credits are acceptable for graduate degree credit by the home institution.

### UNDERGRADUATE STUDENT AND GRADUATE CREDIT

An undergraduate who is within six semester hours of meeting the Baccalaureate Degree requirements is permitted to register for up to

six hours of graduate credit to be taken concurrently with the remaining baccalaureate course requirement. This may be undertaken with the approval of the Director of Graduate Studies and with graduate credit to be awarded only upon completion of Baccalaureate Degree requirements by the end of the semester in which the final course requirements were begun.

### TIME LIMITATION

All work credited toward the Master's Degree must be completed within seven calendar years from the end of the semester of summer in which such work began. For example, a student who began the Master's Degree program in June 1962 must have completed all requirements for the degree by September 1, 1969.

### COMPLETION OF DEGREE REQUIREMENTS

In completing requirements for the Master of Education degree the student must follow these additional procedures:

1. Present following admission to candidacy a brief outline of the research project if this option is chosen. If approved, the candidate is usually assigned a second advisor. For those electing the research project, the completed project must be submitted to the advisors by March 1 of the year in which the degree is expected.
2. Complete satisfactorily the written examination for the degree by April 1 of the year in which the degree is expected.
3. Complete satisfactorily an oral examination on the research project, if chosen, by April 1 of the year in which the degree is expected. This examination is administered by three members of the Graduate Faculty designated by the Director of Graduate Studies. Three copies of the project with the signatures of the advisors must be filed by this date with the Director of Graduate Studies.

### APPLICATION FOR DEGREE

All candidates for the degree must, at the beginning of the final semester, make application on the appropriate form to the Registrar and pay the required fee. A new application must be completed when a student finds it is necessary to postpone graduation.

### FACULTY ADVISORY SYSTEM

On admission to the Master's Degree program, the student is assigned a faculty advisor in the appropriate field of study. Those enrolled in the degree program must submit each application for courses to the faculty advisor for approval of courses selected. The graduate programs of all students should not be just a matter of collecting a stated number of credit hours but should have some reasonable plan and objectives. The major responsibility for advising

graduate students rests upon the faculty advisor. Although the individual student is personally responsible for meeting all requirements and deadlines, the faculty advisor and/or department chairman are responsible for certifying to the Director of Graduate Studies that certain requirements have been met.

### REFUND AND WITHDRAWAL PROCEDURES

To receive all funds due on withdrawal from classes, the withdrawing student must submit a completed official withdrawal card to the Office of the Registrar. Refunds to students are computed on the basis of the date on which this card is filed with the Registrar. Students failing to comply with this regulation forfeit all rights to refunds and receive a grade of F for courses dropped unofficially.

Part-time students (except in summer) officially withdrawing from graduate courses within two weeks following the Registration Day for such courses will receive a refund of tuition less \$10.00. *After the initial two weeks, no refund is made.*

### GRADUATE COURSES

Courses at the 500 level are available for graduate credit only. Courses at the 400 level appearing in the list which follows may be taken either for graduate credit or for advanced undergraduate credit. Graduate students enrolled in such courses are expected to do graduate level work. "The work of graduate students registered in a 400-level course, to which undergraduates are also admitted, should be superior to that of the underclassmen. It is the responsibility of the individual instructor to define precisely the quality and/or quantity of work that he expects from the members of the class.

It follows that the instructor may reasonably anticipate work of the highest level of competency from those graduate students enrolled in a 500-level course."
